Dear Resident:

Re: Versailles Park Development

The City of St. Albert has approved the Ville Giroux Park Master Plan, which includes four neighbourhood parks: Versailles and Vandelor to the east, and two as yet unnamed neighbourhood parks in the west.

In 2021, the City is moving ahead with detailed design and construction of Versailles Park, located at 10MR Villemagne Road (beside 10 Vandelor Road). Opportunities are available for the public to learn more about the project and give the City feedback on the proposed park plan.

Please visit conversation.stalbert.ca/ville-giroux-parks to watch a project video, view key documents related to the project including the park plan, or ask the project team questions about the development.

A survey on the proposed plan for Versailles Park will be available on the website from January 27 – February 10, 2021.

If you have any questions, please contact me at mbrenneis@stalbert.ca or 780-399-3874

Sincerely,

Margo Brenneis
